Summary

Computer Engineering student with a strong foundation in Java and object-oriented programming. Enthusiastic about solving real-world problems through teamwork and practical implementation. Actively involved in technical and placement-related activities during my academic journey, which strengthened my leadership, coordination, and communication skills. Eager to contribute, learn, and grow as a Software Developer.

Technical Skills

Programming Languages: Java

Frontend: HTML, CSS, JavaScript

Backend: Spring Boot, MVC Architecture

Database: MySQL

Tools: Git, Figma

Methodologies: MVC Architecture, Clean Code Practices

Core Concepts: Data Structures, OOP

Experience

Coordinator – Level Up Club

July 2025 – January 2026

Dr. D. Y. Patil Technical Campus, Pune

Student Organization

- Coordinated technical and non-technical events, ensuring effective planning and smooth execution.
- Collaborated with team members and faculty, demonstrating leadership, communication, and organizational skills.
- Contributed to increased student engagement through structured event initiatives.

Java Development Intern

December 2025 – January 2026

Anudip Foundation

Intern ID: AF04948074

- Developed Java-based applications using core Java concepts, including object-oriented programming and exception handling.
- Worked on assigned development tasks, focusing on logic building, debugging, and code optimization.
- Improved understanding of application development workflows and industry coding practices.

Projects

Sports Team Member Entry System | Java, SQL | [GitHub](#)

- Designed and developed a Java-based application to manage sports team member records.
- Implemented SQL-based database operations for storing, retrieving, and managing player data.
- Applied object-oriented programming principles to ensure modular and maintainable code.

Personal Portfolio Website | HTML, CSS, Bootstrap | [GitHub](#)

- Built a responsive personal portfolio website to showcase technical projects and skills.
- Utilized HTML, CSS, and Bootstrap for responsive web design.
- Developed sections including About, Projects, Skills, and Contact for professional presentation.

Awards & Certifications

- Core Java Certification – Anudip Foundation (METTL).
- WNS Career Readiness Training – WNS Cares Foundation.

Education

Bachelor of Engineering (B.E.) – Computer Engineering

2024 – Present

Dr. D. Y. Patil Technical Campus, Pune

CGPA : 9.14

Diploma in Computer Engineering

2021 – 2024

TSSM BSCOER, Narhe, Pune

Percentage: 84.06%
